Dear Jaime:

In our first year of partnership, you've achieved phenomenal success in selling our cruises. Thank you for helping making Viking River Cruises the world's fastest-growing river cruise line.

Your company's position as a leading provider of online travel services and your reputation for first-class service are just a few reasons Viking River Cruises chose to partner with you.

I look forward to continuing our partnership in the coming season, and to our ongoing success.

Best,

J. Michael Wiersema
Vice President, Sales
